

WELCOME TO BIG RIVER STEEL

We look forward to welcoming you to Big River Steel! We're committed to providing a safe and healthy workplace for our employees as well as our guests. For that reason, we ask that you please review the following information before you arrive at our facility.

APPAREL

If you are attending a mill tour, you must follow the apparel guidelines listed below. If you do not meet these guidelines you will not be able to attend the tour. **No exceptions.**

- ❖ Long pants are required. Shorts, skirts and dresses are not permitted.
- ❖ Sturdy footwear is required. Sandals, heels, ballet style shoes, and open toed shoes are not permitted.
- ❖ Everyone must wear safety glasses with side shields, which we will provide for you. If you have your own, they must be OSHA compliant.
- ❖ Everyone must wear hearing protection, which we will provide for you.
- ❖ Everyone must wear a flame-resistant jacket and a hard hat, which we will provide for you.

PROHIBITED ITEMS

- ❖ Bags, purses, backpacks, etc. You may bring them into the administrative building, however they must be secured in your vehicle before the plant tour.
- ❖ Loose jewelry such as necklaces, bracelets and earrings.
- ❖ Photography or recording of any kind.
- ❖ Please keep your phones away and secured at all times.

UPON ARRIVAL

Please arrive 15 - 30 minutes early. A valid photo ID is required. When you arrive, you will check in with security at the entrance gate and receive directions to the administrative building.

TOUR INFO

- ❖ Tours of the mill are approximately two hours. Please stay with your Big River tour guide at **all** times during your visit and let him/her know if you have any questions or concerns.
- ❖ You must be over 15 years of age to tour our facility.
- ❖ The production areas are not wheelchair-accessible. Persons with limited mobility are advised not to take part in tours.
- ❖ There are portions of the tour that pregnant persons or persons with medical implants and pacemakers must avoid. If you fall into any of these categories, please notify us as soon as possible.
- ❖ You will be standing and walking during the length of the tour. Some portions of the tour require walking on catwalks that may be up to 4 or 5 stories high.
- ❖ Stay alert and watch for overhead cranes and mobile equipment.
- ❖ Use handrails and do not touch equipment or product.
- ❖ The mill is hot, especially in the summer months. Please stay hydrated. You may bring a bottle of water with you and we will also have some available.

Before your tour, you will watch a brief safety video. If you have any questions in the meantime, please contact us.
